Exhibition - “The book of images” - Jiehao Su - Galerie zur Schützenlaube, Visp

Discover the valaisan „Book of images“ of the Chinese photographer Jiehao Su, who was welcomed by the association artbellwald.ch for a three-month stay, as part of SMArt programme. Jiehao Su's documentary as well as artistic process keeps with the Chinese tradition. During his stay in Valais, he was looking for the most expressive designs, the most appropriate perspectives, and the right light to capture the invisible soul of the region with his camera. Details from nature, everyday situations and symbols of the Valais history and culture form a kind of overall picture, which is able to show the spirit of the Valais.
