From the Mongolian plains to the Valais mountains

The photographer Tamir Bayarsaikhan is invited by the « Kunstverein Oberwallis » to a meeting and discussion evening.

A great opportunity to get to know Mongolia better, a country that often makes us dream and to discover the visual universe of the artist.

Tamir Bayarsaikhan will also tell his first impressions of Valais and the project he is developing as part of his residency in Bellwald.

The discussion will be moderated by the curator Muriel Constantin-Pitteloud.

17th May, 20:00, Zeughaus Kultur, Brig Glis
