# « Shadow on us » to discover in Ulaanbaatar

---

Tamir Bayarsaikhan returned to Mongolia a few months ago after his residency in Bellwald in the Valais Alps. Thanks to the collaboration of Arts Council of Mongolia. His series of photographs « Shadow on us » will be presented in Ulaanbaatar from 9 to 23 November 2018.

An opportunity to rediscover, the look of an artist who not only made a long geographical journey, but also a deep inner journey and proposes a very moving project mixing beauty and tragedy.
